

PRESENTS THIS SUMMER

Get your little one moving in a fun and supportive environment with our

TINY TOTS Dance Camp

Children move naturally. They move to achieve mobility, they move to express a thought or feeling, and they move because it is joyful and feels wonderful. When their movement becomes consciously structured and is performed with awareness for its own sake, it becomes dance.

Thinking about enrolling your toddler in a dance or music class this fall? How do you choose and how will you know what style of dance your toddler will like?

With Saskatchewan Express' preschool summer camp, your child will have the opportunity to experience Jazz, Tap, Ballet, Hip Hop and Musical Theatre. All this fun in a one week program that culminates with a mini recital. Specialized teachers are eager to introduce your toddler to these varying genres of dance.
