SCHEDULE 2017-2018

COMPETITIVE CLASSES

Competitive classes compete at 3 competitions throughout the year. Competitive placement is based on both age and level, as the demands of a competitive class are more advanced than those of a recital class. Competitive students are also eligible to perform a competitive solo, duo, or trio in the style of the class they are taking.

Competitive Class Requirements:

- In order to take competitive jazz, lyrical, or contemporary, you must register for the associated competitive ballet class.
- In order to take competitive jazz or tap, you must register for the associated exam (technique) class.
- In order to take competitive lyrical, you must take the associated competitive jazz.
- In order to take competitive contemporary, you must take the associated competitive lyrical.

These requirements are in place to promote excellence within our studio and fairness among our dancers. As such, no exceptions will be made. Your success is our priority.
