Who can take the class?

1. **Anyone and everyone!**

As long as you can scrounge a pair of tap shoes for yourself, you are welcome through our doors! This class will be geared towards adult beginners, but everyone is welcome.

2. Once we've learned the basics, the style we will be focusing on is "jazz tap". Imagine your feet as a jazz soloist, ready to improvise the next solo at Regina's Capitol Jazz Bar ;). But seriously! We will dance to jazzy tunes, with a focus on the musicality and storytelling of the rhythms we create.

What should I wear?

Come to this class with a smile on your face, a positive and hardworking attitude, and clothes you would wear to yoga or the gym. If you're really feeling it, feel free to wear a costume you can dance in! You can bet Kaitlyn will be in a dress or skirt of some sort :)
