## Who can take the class?

### 1. Anyone and everyone!

This class is geared towards bringing the musical theatre community together. Whether you're a young performer who wants to practise the skill of a dance call (which means picking up choreography quickly during an audition), a Globe Theatre Conservatory Grad or Community Theatre Actor looking to expand their dance skills... or anyone who loves story driven dance!

### 2. What should I wear?

Come to this class with a smile on your face, a positive and hardworking attitude, and clothes you would wear to dance in, or work out in. Please wear indoor shoes. Jazz shoes are preferred, but sneakers are just fine. Or if you're really into it (like Kaitlyn) wear a COSTUME you can dance in!!!
